Annexation by City of Homer had a negative  
effect on KESA because City of Homer took out  
of KESA 4,58 square miles of land with population.  
We lost our tax base. We were denied and deprived  
of our right to vote, a right under State Law Alaska  
Statute. We were denied and were never given or  
provided correct or accurate information on  
figures regarding the process or procedures, on  
the population figures, money and tax and liability  
figures relevant to these subjects.

Our State and U.S. Constitutional rights, private property

confusing for all of the people. Confusion reigned,  
and we were robbed, denied and deprived of our rights.  
All of us are up a creek without a paddle.

We are Americans. We are Alaskans.

We want all of our rights included and protected, including property rights, and all of our relevant Alaska State rights and Constitutional Rights, including due process, and all of our U.S. Constitutional Rights. We request and demand respectfully all of our many treasured rights.

**KENAI PENINSULA BOROUGH****ORDINANCE 2000-29****AN ORDINANCE ESTABLISHING THE GREATER KACHEMAK VOLUNTEER FIRE AND EMERGENCY MEDICAL SERVICE AREA AND PROVIDING FOR AN ELECTED BOARD**

**WHEREAS**, more than 15 percent of the eligible voters who voted in the last regular borough election and within the area comprising the proposed Greater Kachemak Volunteer Fire and Emergency Medical Service Area have by petition requested the establishment of a fire and emergency medical service area district in the area described by the petition; and

**WHEREAS**, the proposed service area population has increased due to the growth and development in recent years creating an increased need for fire and emergency medical services; and

**WHEREAS**, the spruce bark beetle infestation has created an even greater fire hazard and adherent need for emergency service within the proposed service area; and

**WHEREAS**, the fire and emergency medical services in the proposed service area have been historically provided by the Homer Volunteer Fire Department, now known as the Homer Fire Department since 1991, City of Homer; and

**WHEREAS**, the proposed Greater Kachemak Volunteer Fire and Emergency Medical Service Area is to provide additional resources to meet the needs of the residents of the service area; and

**WHEREAS**, due to the size of the proposed service area, such services cannot be provided more efficiently or effectively by an existing service area, by annexation to a city, or by incorporation as a city;

**WHEREAS**, although the service area may eventually employ personnel, it is intended that most services will be provided by volunteer.

**NOW, THEREFORE, BE IT ORDAINED BY THE ASSEMBLY OF THE KENAI PENINSULA BOROUGH:**

**SECTION 1.** Title 16 of the Kenai Peninsula Borough Code of Ordinances is amended by adding a new chapter 16.20, which shall read as follows:

**Chapter 16.20. GREATER KACHEMAK VOLUNTEER FIRE AND EMERGENCY**

<http://www.borough.kenai.ak.us/assemblyclerk/Assembly/Ordinances/2000/O2000-29.htm> 5/24/2004

To: William Popp, Assembly President

Members of the Kenai Peninsula Borough Assembly

Thru: Dale Bagley, Borough Mayor

From: Ed Oberts, Assistant to Mayor Bagley

Date: July 10, 2000

Ordinance 2000-29 creating the proposed service area is in response to the citizen's petition that the Borough Clerks office certified on May 1, 2000. The petition contained 216 valid signatures representing 29.5% of the voter turnout in the October 1999 Kenai Peninsula Borough Regular Election.

The mayor's report to the assembly on the proposed service area was then prepared and submitted to the assembly at the June 6<sup>th</sup> meeting. The mayors report on the proposed service area outlined the options to the assembly and indicated creating a new service area subject to voter approval would follow the general philosophy which has governed the formation of service areas throughout the borough.

On June 28, 2000 the assembly conducted a public hearing on the proposed service area as required by borough code under the petition method of forming new service areas. The public testimony indicated continued support for forming the service area with a 1 to 2 mill tax rate. Discussions included the boundaries of the service area and how to provide services including possibly working with the City of Homer Fire Department.

Based on the public testimony the petition sponsors with the assistance of the mayor's office and the borough finance department intend to provide financial information at the July 18<sup>th</sup> assembly meeting.

The ordinance for introduction uses the boundaries as submitted with the petition and includes a maximum mill rate of 1.75 Mills. The ordinance requires the elected board to submit a plan for approval to assembly on how services will be provided in the service area in addition to the budget.

The ordinance creates the service area subject to voter approval and authorizes a special by mail election asking for voter approval to exercise the powers and simultaneously elect the service area board. Current borough code requires the simultaneous election for both the service area powers and the service area board members.

Dear Dr. Jerrel:

The Local Boundary Commission met this week to address preliminary matters regarding the superior court remand of the amended City of Homer annexation petition. During the meeting, the Commission formally established procedures to be used in the remand and defined limits of evidence and information that the Commission will consider in the matter.

As noted in the enclosed *Order Relating to Procedures for Consideration of the Amended City of Homer Annexation Petition upon Remand*, the Commission's review will be limited to a narrow issue involving the Kenai Peninsula Borough Kachemak Emergency Service Area (KESA). More specifically, the Commission's order states that the review will be restricted to "KESA and the effect on KESA of the annexation of 4.58 square miles to the City of Homer based on evidence dated or events occurring on or before January 17, 2002 (the date on which the Commission denied requests for reconsideration of its December 26, 2001, decision)."

The Commission directed staff to provide the City of Homer, respondents in the original annexation proceeding, and the legal counsel for parties involved in the appeal to superior court with the following enclosed materials:

- *Notice of Opportunity to Comment Regarding KESA and Homer Annexation Remand*;
- the record on appeal to the superior court in electronic format (Adobe Acrobat pdf on CD);
- "Order on Appeal of Local Boundary Commission Decision," *Kachemak Area Coalition v. City of Homer*, 3 AN-02-0426 CI (Alaska December 4, 2003), in electronic format (Adobe Acrobat pdf on CD); and
- *Order Relating to Procedures for Consideration of the Amended City of Homer Annexation Petition upon Remand* (with attachments).

As a courtesy to facilitate review of the extensive record, I am also providing an index listing pages where the terms "KESA" and "emergency service area" appear in the enclosed record on appeal. The deadline for the receipt of comments in this office is 4:30 p.m., June 24, 2004. Any comments you choose to offer regarding KESA and the effect on KESA of the annexation of 4.58 square miles to the City of Homer based on evidence dated or events occurring on or before January 17, 2002, will be appreciated.

Cordially,
